

Important Reminders at Pearl Harbor National Memorial

This information is provided by the National Parks Service

Bag policy

We have a no bag policy. Bags that offer concealment, such as purses, handbags, backpacks, fanny packs, camera bags, diaper bags, luggage, etc. that exceed the measurements of 1.5" X 2.25" X 5.5," are not allowed at the monument.

The Pacific Fleet Submarine Museum operates a baggage storage facility near the entrance to the visitor center. There is a fee per bag for all sizes, including luggage. Visitors may use the same bag storage and parking stall for visits to all Pearl Harbor Historic Sites. Security measures are strictly enforced at all visitor destinations on Pearl Harbor.

Food

Non-alcoholic beverages are permitted on site, only water is permitted inside the museums, theaters, on US Navy vessels, and on USS *Arizona* Memorial. Please stay hydrated and remember to #RecreateResponsibly - Pack it in and Pack it out. Taking everything out with you that you brought in helps keep Pearl Harbor clean and pristine.

If you have a medical issue that may require the use of a medical bag that might offer concealment you must disclose this to security, bags that offer concealment are still subject to screening. Bags can only carry the medically required items. Final say rests with the Park Security Rangers. Please allow extra time for bag screenings.
